

Dear Parishioners and Friends,

Please find attached a letter from the New Zealand Catholic Bishops about the lifting of the Covid-19 restrictions. The bishops are encouraging all Catholics to return to Sunday Mass and to accompany those who haven't yet returned to Mass on Sundays. Even though the government may have lifted most of the Covid-19 restrictions, we are still living in a time of pandemic, and we want all of us to be safe especially those who are the most vulnerable.

Kind regards

Fr Eamon Kennedy
